

- Historical changes since the ERI**

 - PSTC Senior Dean retired and position was not replaced.
 - PSTC Registrar at 65% retired and was not replaced. All registration moved to the existing AAs.
 - BPA POST Coordinator management position was replaced by two part time Professional Experts.
 - In-Service & Corrections AAll 65% resigned and was not replaced.
 - Ranger Academy & Modular Academy Director retired and was not replaced.
 - Ranger Academy & Modular Academy AAll was transferred to Santa Rosa and not replaced.
 - Facilities Operations Coordinator was moved out of PSTC and centralized to Santa Rosa and is now onsite about three to four days a month. This position kept the whole place running as a central point of contact and was available to everyone. Many tasks have been moved to existing admins or are not being done.
 - PSTC Mechanic was re-organized into Facilities Operations. 20% of his ‘other duties as assigned’ were directly supporting academic areas such as the range and other academic equipment. The 20% is currently being covered by Professional Experts funded out of the range rental.
 - Executive AA is out on extended workers comp leave at 50% and only available remote.
 - Fire Technology had two part time lab coordinators that weren’t replaced
 - The BPA programs had a full time lab coordinator that was not replaced.
